In consideration of the Journal agreeing to consider the above-named Work for publication (both parties agree that such consideration shall be deemed sufficient), I/We agree that:

The Work will be made Open Access under the terms of the **Creative Commons Attribution (CC_BY)** 4.0 licence. The full terms of this licence may be seen at <http://creativecommons.org/licences/by/4.0/legalcode>.

I/We understand that under the terms of this licence:

Anyone may reproduce, distribute, translate, make copies of, and create derivative works of the Work. Anyone may use the Work for text and data mining purposes without prior permission.

Authors submitting their Work for open access publication warrant the following:

I/We have the full power and authority to enter into and execute this Agreement and to convey the rights granted herein.

The Work is an original work which I/We have created independently. It has not been published before in its current or a substantially similar form. Please refer to Emerald's Originality Guidelines at:

<http://www.emeraldinsight.com/authors/writing/originality.htm>

The article is not currently being considered for publication by any other journal or publication and will not be submitted for such review while under review by the Journal.

Subject to the use of any third party rights where consents have been obtained in accordance with the paragraph below, I/We own all intellectual property rights vesting in the Work.

If third party material has been used in the Work, I/We have obtained the necessary permission from the copyright holder/s to reproduce in the Work, in all media in all countries and on the understanding that it will be published in an open access Work, any such materials including tables, figures and photographs not owned by me/us (Please upload any permissions documents).

All authors have received a final version of the Work, take responsibility for the content, agree to its publication and the order of authors listed on the paper.

Anyone who has made a significant contribution to the research and the Work has been listed as an author. Minor contributors have been noted in the Acknowledgements section.

I/We have declared any potential conflict of interest in the research. Any support from a third party has been noted in the Acknowledgments section.

I/We have read and adhered to the Journal author guidelines.

I/We understand that, if, prior to publication, Emerald considers that the Work should not be published due to legal reasons, Emerald may decline to publish the Work.

I/We understand that, if post-publication, Emerald considers that the Work should be retracted or removed due to reasons outlined in the Committee for Publication Ethics Guidance (at <http://www.publicationethics.org>) or otherwise due to legal reasons, Emerald may retract or withdraw the Work.

I/We indemnify and shall keep Emerald indemnified against any loss, expense, injury or damage (including any legal costs and disbursements paid by them to compromise or settle any claim) howsoever caused incurred by Emerald directly or indirectly as a result of a breach of the above warranties.

I/We assert our moral rights to be recognised as the Authors of the Work in accordance with Sections 77 and 78 of the Copyright, Designs and Patents Act 1988.

I/We understand that the copyright line on the article shall read: '© [Authors]. Published by Emerald Publishing Limited.
